DRAWINGSDescription: Plan is L shaped but exhibits some originality. No long staircase in narrow axial hall, but one near what was once the front door (opposite the present porchReferences: New Castle on the Del., Offices of Recorder of Deeds and Reg. of Wills of New Castle Co. ✓

ehtrance). Stairs run on the interwall of the east corner room towards the east wall, and are well designed with open stringer, sawed brackets, moulded handrail and balusters, and paneled wainscoat. Some fireplaces with wood mantels of good design. Windows are unusually high on both floors (9 over 9 in both cases).
